Comments Regarding Pricing Strategy		
<p>The subject property is a single family home, which is in overall average condition on the exterior. The exterior of the subject property does not appear to be in need of repairs. Similar comps were searched for within a distance of 1 Mile and back up to 6 months in time. Sold comps have been searched for beyond 3 months time as there were limited recent similar sales in this area. The GLA Tolerance searched for similar comps was +/- 20% of the subject's Sq. Ft. The subject is in average exterior condition and there is a shortage of similar average condition comps. As such, it was necessary to use two superior condition comps within this report. Inventory is decreasing, and demand is stable within the subject's market area. REO/SS are less than 1% of recent sales and listings in this area. The subject property does not have any major negative site influences.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
