I went back 6 months, out in distance 1 mile and was able to find comps which fit the bpo requirements. The comps used are the best possible currently available comps within 1 mile and the adjustments are sufficient for this area to account for the differences in the subject and comps.

### Clear Capital Quality Assurance Comments Addendum

Reviewer's The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
