Comments Regarding Pricing Strategy		
Searched comps within 0.50 mile radius from the subject, +/- 30 years for age and 6 months back for comparable sale. There is not enough listing and sold comps available with similar GLA, it is necessary to expand the standard criteria. Expanded proximity to 1 mile radius from the subject. The ones used are the best possible currently available comps and the adjustments are sufficient for this area to account for the differences in the subject and comps.		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
