Owner	NEBEL, CHRISTOPHER K	This community has neighborhood mailboxes so there was no box on site to show house number and the house itself did not have the house number on it. Site was verified by GPS location as well as comparing images from county assessor. Subject sustained some damage from the 5/26 tornado that hit this area. The subject appeared structurally sound but had some obvious roof damage (see image) as well as having landscaping damages and has had a large tree removed from the front of the home. There were no other damages visible from the front of the house but most homes in the area sustained some level of damage from the F3 tornado.

Reasons for Adjustments Why the comparable sale is superior or inferior to the subject.

- Sold 1** Sold 1 is larger and younger than the subject. This will make the comp have a higher value than the subject but the appeal will be the same.
- Sold 2** Sold 2 is the same overall size as the subject but the comp is younger which will make it have a slightly higher appeal than the subject.
- Sold 3** Comp 3 is younger and larger but on a very small lot and in a lower valued area to make the appeal of the comp lower than the subject.
