Comments Regarding Pricing Strategy		
<p>I went back 3 months, out in distance .5 miles, and even with relaxing the search criteria I was unable to find adequate comps which fit the requirements. Within 2 miles and back 6 months I found adequate comps of which I could use. The ones used are the best possible currently available comps within 2 miles and the adjustments are sufficient for this area to account for the differences in the subject and comps.</p>		

Clear Capital Quality Assurance Comments Addendum
