Comments Regarding Pricing Strategy		
<p>No negative external influences, environmental concerns, or zoning issues noted. In addition no atypical positive external influences, environmental concerns, or zoning attributes noted. This includes no major construction noted in area. Subject value based on comparison of similarities and differences between subject and listed and sold comps. All sale comps have closed within the past 6 months and are located in the Timberwood Park market. Subject's GLA is atypically small for the market area. Unable to bracket GLA with comps. Adjustments made instead of expanding search radius further. If search radius had been expanded further it would begin to pull comps from non-comparable markets.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
