Comments Regarding Pricing Strategy		
<p>I went back 12 months, out in distance 3 miles, and even with relaxing mile to subject search criteria I was unable to find any comps which fit the gross living area, close date and age requirements. Within 2 miles and back 12 months I found 6 comps of which I could only use due to the gross living area, close date and age requirements factors. The ones used are the best possible currently available comps within 3 miles and the adjustments are sufficient for this area to account for the differences in the subject and comps. The value as of today is \$330,000. The typical marketing time is 58 days. The subject is within 2 miles of Grand Parkway 99. In the subject market, home value ranges from \$120,000 to \$835,000. The median home value in the subject neighborhood is \$360,000. The subject is conforming to the neighborhood. There are no comparable listings in the subject same immediate subdivision.</p>

Instructions last updated: 07/29/2024

Purpose:

Please determine a Fair market price for this property at which it would sell in a typical marketing time for the area.

Comparable Requirements:

If any of the following comparable criteria cannot be met, the commentary is required as to why you expanded your search, and what the effect on price will be.

1. Use comps from the same neighborhood, block or subdivision.
2. Use REO comparables only if the market is driven by REOs and they are comparable in characteristics and condition.
3. Use comps that have closed in the past 3 months to show the current market conditions. In rapidly changing markets, active listing comps should be given equal or greater weight than sold comps in your analysis.

Property Condition Definitions:

1. Poor: Uninhabitable or severely damaged from fire, flood, vandalism or mold
2. Fair: Repairs needed, may not be eligible for all forms of financing, below the neighborhood average
3. Average: Minor cosmetic or no repairs needed; typical for the neighborhood, move-in ready but no significant updates or renovations
4. Good: Above average, move in ready, no repairs necessary and has recent and significant updates and/or renovations (or, for customers that do not provide for 'Average', any move-in ready property)
5. Excellent: Newer construction (1-5 years) or high end luxury
