Comments Regarding Pricing Strategy

The subject is a one-story brick home with a two-car garage. The subject's room count is based on the tax records. An attempt to find all sales and listings in similar condition to the subject was made. However due to lack of comps this was not possible. Please note due to lack of comps some lot size tolerances were exceeded as well as some distance parameters were expanded. The subject is on city sewer. The search criteria was set to a one mile radius search (preferably using comps in the same subdivision when available) for comps within 5 years of age +/- and 20% sqft +/-. When this was not available the search radius was expanded.

Addendum: Report Purpose - cont.

Report Instructions

This section shows the instructions that were approved by the customer and provided to the broker prior to completing the report. Instructions last updated: 07/29/2024

Purpose:

Please determine a Fair market price for this property at which it would sell in a typical marketing time for the area. Comparable Requirements:

If any of the following comparable criteria cannot be met, the commentary is required as to why you expanded your search, and what the effect on price will be.

- 1. Use comps from the same neighborhood, block or subdivision.
- 2. Use REO comparables only if the market is driven by REOs and they are comparable in characteristics and condition.
- 3. Use comps that have closed in the past 3 months to show the current market conditions. In rapidly changing markets, active listing comps should be given equal or greater weight than sold comps in your analysis.

 Property Condition Definitions:
- 1. Poor: Uninhabitable or severely damaged from fire, flood, vandalism or mold
- 2. Fair: Repairs needed, may not be eligible for all forms of financing, below the neighborhood average
- 3. Average: Minor cosmetic or no repairs needed; typical for the neighborhood, move-in ready but no significant updates or renovations
- 4. Good: Above average, move in ready, no repairs necessary and has recent and significant updates and/or renovations (or, for customers that do not provide for 'Average', any move-in ready property)
- 5. Excellent: Newer construction (1-5 years) or high end luxury
