Comments Regarding Pricing Strategy		
<p>I completed a previous BPO on 3/1/2023 for \$675,000. Subject info was taken from a previously provided Client Appraisal. Subject property lies below the street level. It cannot be seen from the street. Photos taken are the best available. This is a Broker's Price Opinion and was prepared by a licensed Real Estate Agent. It is not an Appraisal. This opinion cannot be used for the purpose of obtaining financing. Notwithstanding any preprinted language to the contrary, this is not an Appraisal of the market value of the property. If an Appraisal is desired, the services of a licensed or certified Appraiser must be obtained. This document is not an appraisal as defined by USPAP (Uniform Standards of Professional Appraisal Practice). It is not to be construed as an appraisal and may not be used as such for any purpose. Within 1 mile, 20% GLA +/-, Year built 10 +/-, there were limited comparables available in the subject neighborhood. Therefore it was necessary to exceed the GLA, lot size, bed/bath, year built. The comparables selected were considered to be the best available. In delivering final valuation, most weight has been placed on CS3 and LC2 as they are most similar to subject condition and overall structure. Market values remained stable during the last 12 months within the subject's market area.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.

Addendum: Report Purpose

Market Approach and Market Time

The Market Approach of this report, as established by the customer, is: **Fair Market Price**. (See definition below.)

The Marketing Time as specified by the customer is **Typical**. (See definition below.)

Definitions:

Fair Market Price	A price at which the property would sell between a willing buyer and a willing seller neither being compelled by undue pressure and both having reasonable knowledge of relevant facts.
Distressed Price	A price at which the property would sell between a willing buyer and a seller acting under duress.
Marketing Time	The amount of time the property is exposed to a pool of prospective buyers before going into contract. The customer either specifies the number of days, requests a marketing time that is typical to the subject's market area and/or requests an abbreviated marketing time.
Typical for Local Market	The estimated time required to adequately expose the subject property to the market resulting in a contract of sale.

Report Instructions

This section shows the instructions that were approved by the customer and provided to the broker prior to completing the report.

Instructions last updated: 07/29/2024

Purpose:

Please determine a Fair market price for this property at which it would sell in a typical marketing time for the area.

Comparable Requirements:

If any of the following comparable criteria cannot be met, the commentary is required as to why you expanded your search, and what the effect on price will be.

1. Use comps from the same neighborhood, block or subdivision.
2. Use REO comparables only if the market is driven by REOs and they are comparable in characteristics and condition.
3. Use comps that have closed in the past 3 months to show the current market conditions. In rapidly changing markets, active listing comps should be given equal or greater weight than sold comps in your analysis.

Property Condition Definitions:

1. Poor: Uninhabitable or severely damaged from fire, flood, vandalism or mold
2. Fair: Repairs needed, may not be eligible for all forms of financing, below the neighborhood average
3. Average: Minor cosmetic or no repairs needed; typical for the neighborhood, move-in ready but no significant updates or renovations
4. Good: Above average, move in ready, no repairs necessary and has recent and significant updates and/or renovations (or, for customers that do not provide for 'Average', any move-in ready property)
5. Excellent: Newer construction (1-5 years) or high end luxury

Standard Instructions:

1. Clear Capital Code Of Conduct - Please make sure that you are always abiding by the Clear Capital Code of Conduct when completing valuation reports.
2. If the subject is currently listed, please consider all available information pertaining to the subject's condition. This information should be utilized when developing the assumption of the subject's condition.
3. Use the subject characteristics provided in the report Grid (if preloaded) to evaluate the property. This information is from a full interior appraisal and is assumed to be most accurate. If your inspection reveals obvious inaccuracies, please explain in the narrative of the report.
4. Include sufficient, factual detail to help our mutual customer gain a complete understanding of the subject's neighborhood such as substantiated distance to amenities, parks, schools, commercial or industrial influences, REO activity, traffic, etc.
5. Do not approach occupants or owners.
6. If the subject is a Commercial property, contact Clear Capital immediately at 530-582-5011 for direction on how to proceed with the report.
7. Please do not accept if you or your office has completed a report on this property in the last month, are currently listing this property, or have any vested interest in the subject property.
8. Clear Capital does not allow any log ins from IP addresses from foreign countries. This includes, but is not limited to; data entry services, form completion services, etc. Also, it is against Clear Capital code of conduct to share your password with anyone who is not a W2 employee in your office.
9. Clear Capital and our mutual customers greatly appreciate your expertise. If you cannot personally inspect the property, select comparables, and determine a price for the subject, please do not accept this report. Per the standards and guidelines adopted by Clear Capital and other industry leaders, the use of assistants to complete any of the aforementioned tasks is not permitted.
10. No part of your analysis or reporting may be based on the race, color, religion, sex, actual or perceived sexual orientation, actual or perceived gender identity, age, actual or perceived marital status, disability, familial status, national origin of either the prospective owners or occupants of the subject property, present owners or occupants of the property, or present owners or occupants of the properties in the vicinity of the subject property, or on any other basis prohibited by federal, state or local law.
11. When commenting on the subject property or comp selections, refrain from the use of unsupported or subjective terms to assess or rate, such as, but not limited to, "high," "low," "good," "bad," "fair," "poor," "strong," "weak," "rapid," "slow," "fast" or "average" without providing a foundation for analysis and contextual information. It is inappropriate to add language that could indicate unconscious bias, including but not limited to: "pride of ownership," "crime-ridden area," "desirable neighborhood or location" or "undesirable neighborhood or location"
