The sales Comparison Approach was used. This approach uses the values indicated by recent sales and listings of comparable properties in the marketplace as guidelines for determining a fair market value of the subject property. A normal 90 to 120 day sale price would be recommended, market conditions with available inventory in this area of the Florida market and projected price point would not suggest a need for 30 day quick price sales strategy.

### Report Instructions

by ClearCapital

This section shows the instructions that were approved by the customer and provided to the broker prior to completing the report. Instructions last updated: 07/29/2024

#### Purpose:

Please determine a Fair market price for this property at which it would sell in a typical marketing time for the area. Comparable Requirements:

If any of the following comparable criteria cannot be met, the commentary is required as to why you expanded your search, and what the effect on price will be.

- 1. Use comps from the same neighborhood, block or subdivision.
- 2. Use REO comparables only if the market is driven by REOs and they are comparable in characteristics and condition.
- 3. Use comps that have closed in the past 3 months to show the current market conditions. In rapidly changing markets, active listing comps should be given equal or greater weight than sold comps in your analysis. Property Condition Definitions:
- 1. Poor: Uninhabitable or severely damaged from fire, flood, vandalism or mold
- 2. Fair: Repairs needed, may not be eligible for all forms of financing, below the neighborhood average
- 3. Average: Minor cosmetic or no repairs needed; typical for the neighborhood, move-in ready but no significant updates or renovations
- 4. Good: Above average, move in ready, no repairs necessary and has recent and significant updates and/or renovations (or, for customers that do not provide for 'Average', any move-in ready property)
- 5. Excellent: Newer construction (1-5 years) or high end luxury
- Standard Instructions:
- 1. Clear Capital Code Of Conduct Please make sure that you are always abiding by the Clear Capital Code of Conduct when completing valuation reports.

- 3. Use the subject characteristics provided in the report Grid (if preloaded) to evaluate the property. This information is from a full interior appraisal and is assumed to be most accurate. If your inspection reveals obvious inaccuracies, please explain in the narrative of the report.
- 4. Include sufficient, factual detail to help our mutual customer gain a complete understanding of the subject's neighborhood such as substantiated distance to amenities, parks, schools, commercial or industrial influences, REO activity, traffic, etc.
- 5. Do not approach occupants or owners.
- 6. If the subject is a Commercial property, contact Clear Capital immediately at 530-582-5011 for direction on how to proceed with the report.
- 7. Please do not accept if you or your office has completed a report on this property in the last month, are currently listing this property, or have any vested interest in the subject property.
