Comments Regarding Pricing Strategy

At the time of inspection no visible address verification found, hence street sign is used as address verification. Subject is identified using a GPS system and pointed out the exact location. Most of the Weight in this BPO was given to Sold Comp 3 because it was most similar in GLA to the subject. Note: this valuation is NOT intended to be an Appraisal and should not be used as one,it was completed by a Licensed Real Estate Broker. This is for valuation purposes only Subject's final value represents a value with normal marketing times and based on the most similar and proximate comps in this report. All comparables have been given equal weight in determining an opinion of value for the subject property. Due to limited available market data for similar properties in the subject's immediate neighborhood, it was necessary to utilize comps with a variance in GLA, Year built, Lot size, Bed bath count, Sold date and proximity.

Addendum: Report Purpose - cont.

Report Instructions

This section shows the instructions that were approved by the customer and provided to the broker prior to completing the report. Instructions last updated: 07/29/2024

Purpose:

Please determine a Fair market price for this property at which it would sell in a typical marketing time for the area. Comparable Requirements:

If any of the following comparable criteria cannot be met, the commentary is required as to why you expanded your search, and what the effect on price will be.

- 1. Use comps from the same neighborhood, block or subdivision.
- 2. Use REO comparables only if the market is driven by REOs and they are comparable in characteristics and condition.
- 3. Use comps that have closed in the past 3 months to show the current market conditions. In rapidly changing markets, active listing comps should be given equal or greater weight than sold comps in your analysis.

 Property Condition Definitions:
- 1. Poor: Uninhabitable or severely damaged from fire, flood, vandalism or mold
- 2. Fair: Repairs needed, may not be eligible for all forms of financing, below the neighborhood average
- 3. Average: Minor cosmetic or no repairs needed; typical for the neighborhood, move-in ready but no significant updates or renovations
- 4. Good: Above average, move in ready, no repairs necessary and has recent and significant updates and/or renovations (or, for customers that do not provide for 'Average', any move-in ready property)
- 5. Excellent: Newer construction (1-5 years) or high end luxury
