Comments Regarding Pricing Strategy			

I went back 12 months out in a distance of 20 miles, and even with relaxing the compatibility requirements I was unable to find any comps that were close to the characteristics of the subject property. The ones listed are the best possible in this area at this time and adjustments have been made for the differences between the subject and the comps

Clear Capital Quality Assurance Comments Addendum

Reviewer's The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported. Notes

3. Average: Minor cosmetic or no repairs needed; typical for the neighborhood, move-in ready but no significant updates or renovations

4. Good: Above average, move in ready, no repairs necessary and has recent and significant updates and/or renovations (or, for customers that do not provide for 'Average', any move-in ready property)

5. Excellent: Newer construction (1-5 years) or high end luxury Standard Instructions:
